

CENTRE FOR DNA FINGERPRINTING AND DIAGNOSTICS

INNER RING ROAD, UPPAL,

HYDERABAD – 500 039

Ph: +91-40-27216015

www.cdfd.org.in

Advt. No. CDFD/EMPC/01/MAY23

CDFD, an autonomous Institute of the Department of Biotechnology, Ministry of Science and Technology, invites applications from Indian nationals for the following purely temporary vacancies in research projects funded by National / International agencies at CDFD like DST/DBT/ICMR/CSIR etc. The description of the positions and minimum qualifications for various vacancies are as follows:

(1) Project Scientist – III

Age Limit : 45 years

Emoluments : ` 78,000/-+ 24% HRA

Essential Qualifications:

- (i) Doctoral Degree in Science or Master's Degree in Engineering or Technology from a recognized University or equivalent; and
- (ii) Seven years' experience in Research and Development in Industrial and Academic Institutions or Science and Technology Organisations and Scientific activities and services

Desirable Qualifications:

1. Experience in working on molecular biology techniques, cell cultures, next generation sequencing analysis etc
2. Experience of supervising staff/students

Nature of Duty:

1. Overall supervision of laboratory focused on Pediatric rare genetic disorders
2. Oversee recruitment of patients with rare diseases via co-ordination with collaborating centres
3. Supervise staff for undertaking cell biology and molecular biology experiments
4. Preparation of project report/Manuscript writing

(2) Research Associate – I

Age Limit : 40 years

Emoluments : ` 47,000/-+ 24% HRA

Essential Qualifications:

Ph D in bioinformatics, molecular biology, cell biology, biotechnology or relevant scientific discipline.

Desirable Qualifications:

Experience in computational / bioinformatics tools used for NGS analysis particularly RNA-seq or ChIP-Seq, proficiency with using Linux and BASH or other similar shell, comfortable in developing code in Python and/or R for data analysis and visualization.

OR

Experience in Plant microbe interaction, Microbiology, Plant microbiology, molecular biology

OR

Experience in genomics and molecular biology relevant for human diseases, experience in RNA related work will be preferred.

OR

- 1) Minimum 03 years of Research Experience.
- 2) 03 First author papers in international journals.
- 3) Expertise in Mice handling, Cell line maintenance, qRT-PCR, Flow Cytometry, DNA Cloning and purification of recombinant proteins.

(3) Senior Project Associate

Age Limit : 40 years

Emoluments :` 42,000/-+ 24% HRA

Essential Qualifications:

Master's Degree in Natural or Agricultural Sciences / MVSc or bachelor's degree in Engineering or Technology or Medicine from a recognized University or equivalent; and Four years' experience in Research and Development in Industrial and Academic Institutions or Science and Technology Organisations and Scientific activities and services

OR

Doctoral Degree in Science / Engineering / Technology / Pharma / MD / MS from a recognized University or equivalent

Desirable Qualifications:

Experience in cell culture/molecular biology techniques/next generation sequencing/microarray analysis

Nature of Duty:

- (1) Conduct molecular biology experiments for next generation sequencing like DNA/RNA extraction, PCR etc
- (4) Analysis of next generation sequencing data
- (5) Sanger sequencing
- (6)** Report writing and manuscript preparation

(4) Project Associate – II

Age Limit : 35 years

Emoluments : (i) ` 35,000/- + HRA to Scholars who are selected through (a) National Eligibility Tests-CSIR-UGC NET including lectureship (Assistant Professorship) or GATE or (b) A selection process through National level examinations conducted by Central Government Departments and their Agencies and Institutions.

(ii) `28,000/- + HRA for others who do not fall under (i) above.

Essential Qualifications:

(i) Master's Degree in Natural or Agricultural Sciences / MVSc or bachelor's degree in Engineering or Technology or Medicine from a recognized University or equivalent;
and

(ii) 2 years' experience in Research and Development in Industrial and Academic Institutions or Science and Technology Organisations and Scientific activities and services

Desirable Qualifications:

Experience in next generation sequencing/microarray analysis and report making as well as development of pipelines for same

Nature of Duty:

1. Analysis of exome/genome sequencing data from pediatric rare genetic diseases
2. Preparation of reports for patients

3. Development of pipelines for analysis of next generation sequencing analysis
4. Preparation of project report/Manuscript writing

OR

Desirable Qualifications:

Experience in cell culture/molecular biology techniques/next generation sequencing/microarray analysis

Nature of Duty:

1. Conduct molecular biology experiments for next generation sequencing like DNA/RNA extraction, PCR etc
2. Analysis of next generation sequencing data
3. Sanger sequencing
4. Report writing and manuscript preparation

(5) Project Associate – I

Age Limit : 35 years

Emoluments : (i) `31,000/- + HRA to Scholars who are selected through (a) National Eligibility Tests - CSIR-UGC NET including lectureship (Assistant Professorship) or GATE or (b) A selection process through National level examinations conducted by Central Government Departments and their Agencies and Institutions.

(ii) ` 25,000/- + HRA for others who do not fall under (i) above.

Essential Qualifications:

Master's Degree in Natural or Agricultural Sciences / MVSc or bachelor's degree in Engineering or Technology or Medicine from a recognized University or equivalent

Desirable Qualifications:

MSc in Genetic counselling with experience of counselling patients with genetic diseases.

Nature of Duty:

The selected candidate will oversee recruitment of patients for exome sequencing and pretest/post-test counseling

GENERAL TERMS AND CONDITIONS

1. The vacancies against the positions shall be filled based on the vacancies available at the time of selection. If more vacancies with identical job requirements become available within one year after the selection, these can also be filled from among the candidates who are empanelled for the above positions.
2. Candidates are encouraged to apply for multiple positions. Depending on the qualifications, experience and recommendations of the Selection Committee, the candidates may be selected for more than one position.
3. Depending on the qualifications, experience and recommendations of the Selection Committee, the selected candidates may be placed in a scale and designation lower than the grade advertised/applied against.
4. Candidates selected against the positions will be expected to carry out research in the areas of Biochemistry, Cell Biology, Computational and Structural Biology, Genetics, Immunology, Microbiology or Molecular Biology.
5. Emoluments of the candidates selected against the positions may vary depending upon the qualifications, experience, recommendations of the Selection Committee or emoluments sanctioned by the funding agency in the project.
6. Selection against the positions will not make the candidates with Master's Degree, eligible to register for the Ph.D. degree.
7. All these positions are purely temporary and are initially for a period of six months or one year. These positions could be extended/terminated depending on the continuation of the project(s).
8. Reservation for SC/ST/OBC/Physically Handicapped/Ex-service person/ EWS applicants will be as per Govt. of India rules.
9. Relaxation of age for SC/ST/OBC/Physically Handicapped/Ex-service person/ Women applicants will be as per Govt. of India rules.
10. Mere fulfilling the minimum qualifications will not entitle the candidate for being called for interview. The applications will be screened by a committee based on research experience and requirement of each project. Only those candidates that are found suitable will be shortlisted to be interviewed through Video Conference. The decision of the Director, CDFD will be final in this respect and no correspondence will be entertained in this regard.

11. Any of the selected individuals may from time to time be assigned to perform any other duties commensurate with their qualifications, by the Director, CDFD.

Interested candidates, who fulfill the above conditions, should apply in the prescribed application form **ONLINE**, wherein the candidate is also required to submit a Statement of Purpose (maximum 200 words), emphasizing how his/her experience/expertise will contribute to research programs of CDFD. The link for the application form is available at **(link to be provided)**. Please upload soft copies of certificates in support of date of birth, educational qualifications, reservation category (if applicable). Please contact <empccrmt@cdfd.org.in> for any queries. The last date for submitting online applications is **15.05.2023**.

Incomplete applications, applications without Statement of Purpose, and applications without copies of certificates in support of date of birth / educational qualifications / experience / reservation category (if applicable) or the applications received after the last date are liable to be rejected.
